HORIZONS 1966

HOLMES JUNIOR COLLEGE Goodman, Mississippi Volume 37

The 1966 HORIZONS has attempted to preserve the traditions of Holmes Junior College in every phase of life here.

We, as students, faculty and staff, have every reason to be proud of our college. To us, she is the best.

We are proud to say, "This is our college, HJC."

James Brantley, Editor

Lillian Baughn, Assistant Editor

Jo Welch, Business Manager

And Description of the Control of th

Miss Bostwick enjoys teaching as much as her students enjoy her classes.

Dedication

Sparkle, wit, radiance—these are the words which characterize our choice for the person to whom the 1966 HORIZONS is dedicated.

Her cheerful smile and unfaltering desire to assist brighten the day of all around her. Always offering a comforting word and a helping hand when one is needed, she has won the respect of faculty and the love of students. Her classes are enlightened by her interesting anecdotes and unpredictable humor.

A devoted teacher, a wise counselor, a loyal supporter of Holmes: this is the person to whom all Holmes turns for advice and a sincere application of the Golden Rule.

For your rare ability to combine fun and work, for your talent to add pleasure and satisfaction to learning, for your efforts to be a true friend and to devote your all to us, we proudly dedicate the 1966 HORIZONS to you,

Miss Emma Bostwick

Never losing her enthusiasm, Miss Bostwick cheers the Bulldogs to victory.

Miss Bostwick could be found at all activities including pep rallies.
